Airfield Capacity

The 2021 Wave Camp follows on from the success of our camp in recent years (none in 2020 due COVID-19) The 2019 Wave Camp had 16 visiting pilots and 9 visiting gliders; we had 2-3 days with wave conditions, of which the best was the second Saturday of the camp.

Operational planning dictates that we set a limit of 15 visiting gliders (first in, best dressed).
